

PAV is a test that **updates a PAE** completed **not more than one year earlier**. PAVs are

accepted by most PAE Employers but you should verify with the employer to be sure. [Please note that only one PAV appointment may be held by a candidate at any one time.](#)

[If more than one appointment is identified, then only the near future appointment will be kept.](#)

TO CHANGE AN APPOINTMENT

, you would book a new appointment and immediately

email

info@awci.ca

to cancel your original appointment. In this case, a cancellation fee

is not applied with more than 2 business days notice, but the cancellation fee is carried

forward with the new appointment in the event of a future cancellation for any reason.

Available location and date options are listed below:

[> LONDON E3 - PAV Week of May 20](#)

[> LONDON E3 - RETEST Week of May 20](#)

[> For other potential dates and location options please email \[info@awci.ca\]\(mailto:info@awci.ca\) to arrange](#)

ALL APPOINTMENT COMMUNICATION (ie. cancellations) MUST BE DONE BY EMAIL SO

THAT THERE IS A RECORD.
